

## **Solulink on San Diego Business Journal's "100 Fastest-Growing Private Companies" List**

*Company recognized as one of the fastest-growing private companies in San Diego.*

San Diego, CA, July 17, 2012 — Solulink, previously 2006's #18 and 2009's #48 "Fastest-Growing Private Company" in San Diego, has been ranked #64 on this year's list. The company was listed for the third time with a revenue increase of over 67% the last two years. The list includes companies from all industries and professions. Solulink was one of only three life science on this year's list and one of only a handful of multi-year honorees. The company will be celebrating its ninth anniversary as an independent company in September at its newly expanded Sorrento Mesa location.

When asked about Solulink's recognition, President Steve DeGraw said, "We are very happy to have been selected in 2012 as one of the 100 Fastest Growing Private Companies for the third time, and grateful that our business has more than doubled the last few years in the new economy. We have a sharp team and smart customers who find using our products rapidly accelerates their research efforts."

Solulink manufactures and sells unique life science biomolecular linking products that are used in life science assays and detection systems for critical life science research, diagnostics, and pharmaceutical product discoveries.

The award is one of the [San Diego Business Journal's](#) most coveted and exclusive awards of the year. Ranking is based solely on gross revenue. Solulink was honored along with the other companies at an awards ceremony on July 12th at Paradise Point Resort in San Diego.

### **About Solulink**

Solulink is a privately held company located in San Diego, California. Solulink develops, manufactures and markets products and services for the conjugation of antibodies, oligonucleotides, peptides, and proteins to one another, and to solid surfaces to create, improve and enable detection, array, assay, diagnostic, and pharmaceutical applications.
